DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 and 17 allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art failed to establish a semiconductor device comprising a semiconductor region of first conductivity formed over a semiconductor substrate of first conductivity, a semiconductor trench receiving region formed over semiconductor region of first conductivity, plurality of trenches in trench receiving region each trench including a bottom surface and opposing sidewall, a channel region of second conductivity adjacent to trenches, a conductive column of first conductivity directly under the bottom surface of a respective trench and reaching semiconductor region of first conductivity, a region of second conductivity adjacent and lateral to each conductive column where the region in charge balance with conductive column and adjacent to channel region, conductive regions of first conductivity type adjacent each trench and in channel region, a gate insulation layer on sidewalls of trenches, a gate electrode in each trench and an electrical contact layer over trench receiving region and in contact with conductive regions of first conductivity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
